Internship Offer Letter

Date: May 29, 2024

To

Mr. E.Logavignesh,

III Year, B.Tech Information Technology,
St. Joseph's College Of Engineering, Old Mahabalipuram Road, Semmencheri,

Chennai 600119

Dear Mr. E.Logavignesh,

We are pleased to offer you a "Research Internship" position with our company starting from **1st June 2024** for a period of two months. Please find the details of the internship below:

1

Domain	Generative Artificial Intelligence (GenAI), Large Language Models (LLMs)
Project Title	RAG implementation in multiple LLMs
Duration	Two months
Stipend amount (subject to project completion)	Rs 10,000/- (Rupees ten thousand only) for the entire project duration of two months and subject to project completion.

Mentorship and Collaboration

During the period of internship, you shall be assigned with a mentor who would guide you in the project work. You shall be asked to periodically report progress either by visiting the office in person or via virtual conferencing (via Google Meet using the organization provided meeting links). You shall be required to participate in virtual team meetings to collaborate with additional team members involved in the project.

Resource Usage Policy

Please note that the organization shall provision the resources (software licenses, virtual machines and the like) required to do the project work and shall reserve the right to re-acquire the resources once the internship period is over.

We fully trust the interns and assume that there will not be any resource abuse. In case of resource abuse, please note that this can result in cancellation of the internship offer. Please check the "Non-Abuse of Resources" policy in the Appendix section.
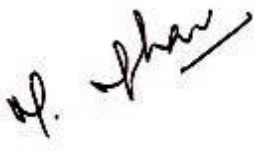

Project Artifacts

Upon completion of the project, you shall be required to submit the final artifacts of your work which shall be either one or multiple of the following items:

- Project code (in Github)
- Test report
- Design document(s)
- Project understanding document

Upon verification of the artifacts, you shall be provided with the internship completion certificate and the stipend amount.

Best regards,

M.Mohan

HR Admin,

Intuitive Objects Services Pvt Ltd

Appendix

Non-Abuse of Resources

Please note that the organization's resources shall be used only for project work and shall not be misused (like using company internet for surfing "adult/prohibited" websites). If any resource abuse is detected, the company (Intuitive Objects Services Pvt Ltd) shall reserve the right to cancel the internship and shall not provide the internship completion certificate and the stipend amount.
